Dear ASLP Members and Fellow Librarians,

The Association of Special Libraries of the Philippines (ASLP) is a non-stock, non-profit organization composed of special librarians from government institutions, private sectors, business community and the academe.

ASLP will hold a webinar with a theme "Facing the Post-Pandemic World Stronger Together: Cultivating Synergy Between the Library & Information Centers (LICs) and the Community." on **19 March 2021, 1:30 p.m. to 5:00 p.m. PST via Webinar Jam.**

The main objectives of this webinar are :

1. To introduce the role of libraries in community resilience anent to current and future pandemic and disasters that the LICs may experience; and
2. To gain insights from other local libraries on reopening LICs after a pandemic.

In this light, may we invite you to attend this webinar. We invited an international speaker to provide a global perspective and members of our community for local insights on reopening libraries after a pandemic.

This webinar is free. Please register at <http://bit.ly/ASLP2021W1> on or before **17 March 2021.**

Should you have questions, please email us at aslplibrarians@gmail.com.
