Dear Colleagues,

The Association of Special Libraries of the Philippines (ASLP) will hold a forum entitled "Striking a Balance: a Work-Life Coaching for Librarians" at the 38th Manila International Book Fair (MIBF) on September 14, 2017 Thursday from 1:00 to 4:00 pm at Seminar Room 9, SMX Convention Center, Mall of Asia Complex, Pasay City.

Librarians are the gatekeepers of information to spread literacy and promote education. With today's stressful and unhealthy lifestyle of most librarians and information professionals, this hinders them to do their jobs well and have a healthy lifestyle. Thus, this coming Manila International Book Fair, ASLP wants to engage and inspire librarians through a forum on personal development and soft skills coaching aimed at helping them to develop a healthy lifestyle wherein they can easily juggle work-related and familial responsibilities without straining their physical and mental health.

Librarians, library administrators, support staff, teachers and students of Library & Information Science, consultants and other information professionals are invited to attend the forum.

Forum Registration Fees are:

P 400.00 for non-members

P 300.00 for members

P 200.00 for students

For inquires and other details, you may contact us through e-mail at aslplibrarians@gmail.com or mobile number [\(0995\)5396299](tel:09955396299).

See you at the forum!

Truly yours,

Myzel Y. Marifosque
Conference Chair/Vice-President
