19 January 2016

Dear Colleagues:

The Association of Special Libraries of the Philippines (ASLP) will hold a seminar entitled “**Digital Assets in our Midst: Positioning Information Providers in the Knowledge Management Environment**” from March 30 to April 1, 2016 at San Antonio Resort, Lawis Baybay, Roxas City

The main objective of this seminar is to deepen the understanding of information providers on the basics of knowledge management practices. It specifically aims at showcasing methods and techniques in handling digital assets from the creation up to preservation including security and privacy solutions. Moreover, the seminar includes actual application using proprietary and open source software.

Librarians, library administrators, archivists, support staff, teachers and students of Library & Information Science, consultants and other information providers are invited to attend.

Seminar Registration Fees includes kit, 3 days and 2 nights’ accommodation, meals and certificates of participation/appearance.
