Rationale for the ILS migration

- LISA 7 was proprietary (developed by a Filipino programmer)
- Non-MARC 21/RDA
- Manual encoding of records
- Locally hosted (no disaster plan)
- Support service unreliable
- Lack of patron account page
- Koha web-opac serves as KRC's website

Koha migration

- June-August 2015: Seeking ILS proposals and demonstrations from local vendors
- August 2015: Initial talks with OnStrike Library Solutions for Koha implementation
- October 2015: OSLS chosen to implement Koha
- November 2015: Data migration from LISA 7 to KOHA
- December to January 2015/2016: Data cleanup & Parallel run of Koha and LISA 7
- December 2015: KRC's Koha launched

KRC Advisory: Holiday and Renovation Schedules

Please take note of the following announcements:

1. The KRC will be closed on Monday, June 12, in celebration of the country's Independence Day.
2. Renovation and construction of discussion rooms at the KRC's second floor will start on Saturday, June 17. During this time, the second floor will be temporarily inaccessible. Kindly ask the librarians or guards assigned to retrieve books for you for the time being.
3. Lastly, the Archives Room (Itochu) will be closed from Tuesday to Friday, June 13-June 16 for the installation of compact shelves.

Opportunities: Koha's Self-Checkout System

●koha

**KNOWLEDGE
RESOURCE CENTER**

Please enter your card number:

Submit

Self Checkout Step-by-Step Guide

Step one: Scan your ID card barcode number

Step two: Scan the barcode of each book (one at a time)
Scan one barcode number and wait for the page to reload before scanning the next barcode.
The checked-out item should appear in your checkout list.

Step three: Click the "Finish" button and print the transaction receipt.
If you do not click the "Finish" button, your session will automatically expire in 60 seconds.

Step four: Present and give duplicate copy of the receipt to the guard on duty.
Please keep and present a copy of the transaction receipt whenever you plan to bring the book/s
you borrowed from the KRC since you have to present this to the guard each time you leave the KRC.

Opportunities

- RFID technology integration into Koha
- Gate counter
- Single-sign on
- Data analytics (Piwik)

Challenges

- **Purely cloud-based (Internet connectivity/ Latency/ Bandwidth issues)**
- **Bugs**
  Data Privacy Act (processing of personal information)

THANK YOU

Okohacon17
